

### Follow-Up Call

Our dedicated team is here to assist you in finalizing your hanger selection for your programs, providing competitive pricing, and addressing any additional questions or developments that may have arisen since the trade show. With TurboDry®, you can trust that you're investing in a cutting-edge fabric technology designed to keep your customers drier and more comfortable than ever before.

### Cross Functional Buy-In

TurboDry® brings unparalleled value to your products by utilizing biomimicry to transport moisture away from the body, enhancing performance and comfort. This innovative mechanical technology sets your products apart, making them truly unique in the market. With TurboDry®, you have the opportunity to revolutionize your product line and offer your customers unparalleled performance and comfort.

### Brand Commercialization

From lab testing to wear testing, TurboDry® offers comprehensive support at every step of the commercialization process. Whether you need lab dips, certifications, fit samples, or sales samples, our team is dedicated to ensuring the success of your brand. With TurboDry®, you can trust that your products will meet the highest standards of quality and performance.

### Marketing Support

TurboDry® offers extensive marketing support to help you effectively promote your products. From marketing research to custom hang tags, our team is committed to helping you build brand awareness and drive sales. With TurboDry®, you have the tools and resources you need to successfully market your products and attract customers.
